Hi Nancy,

I think this is as old as it gets, Cinful hasn't been on board for years but here I am. I have not used store bought soap for over 15 years. Even when we go out of town, I take my own. I don't make soap as often as I use to, every other year. I still make the lotion bars too. Geez, it's been so long, I wonder where everyone is these days? Mo, Puppy, Witchy, Sapaneous (sp?) just to name a few.

Suds!

Witchy..... checking in, and it's been a while. I've connected up with Mo and Jane Wheeler of Peighton's place soap on good old facebook. Waiting for Debgms to accept my friend request.

Other than that, I hope all is well with everyone. I have missed you all. Referring some people to the exchange Y'all take care and in my best Ah-nold....I'll be back.

:))
